

Water Tank Drive

WYPS Staff would like to thank the following people for their generous contributions towards this project. By providing access to safe and clean drinking water you have made a solid and practical contribution to the post-tsunami aid effort. So far we have been able to place 25 water tanks at relief camps in Southern Thailand.

Employees of Smith & Nephew Wound Management, UK

Khun Parveen Madan

Khun Mit Siamwalla

Khun Vimolvann Kongsamut
